

Swimming Data

Our data shows the impact that Covid had with significant disruption to our swim program over two years and how we are recovering from it with an upward trend in data.

Before covid we averaged 75% of pupils meeting the NC expectations of swimming 25m.

	2021-2022 (29 pupils)	2022-2023 (30 pupils)	2023-2024
Pupils who are water confident and can swim more than 5m	66%	87%	97%
Pupils who can swim 25m and meet the ks2 NC expectations.	45%	53%	67%
SEN pupils who can swim 25m	50% (6 pupils)	14% (7 pupils) 3 pupils can swim 20m 2 pupils have physical needs	50% (8 pupils)
PP pupils who can swim 25m	50% (10 pupils)	43% (7 pupils)	80% (5 pupils)
