School Council badges were given out and a photo taken of the Council for the school website.

Some of the councillors had shown their class the 'Super Kind' website, but not all we discussed doing it as a whole school.

New storage tubs have arrived today for the lunchtime toys. Children felt the rota of games for the ball court was working well so a new one will be put into place for Term 4.

Some of the children had spoken to their classes about charities they would like to raise money for Cancer Research, Pilgrims Hospice and Tommy's (a charity aimed at saving babies lives).

Wellbeing, the children felt that wellbeing in the classrooms was good. At play and lunchtimes they felt it wasn't as good. They suggested having more adults available and to play with them would help.

## Actions

- Mrs Evans to show the Super Kind website in an assembly to the whole school so children can earn more badges.
- Mrs Evans to action playtime leaders and put a rota in place.
- For those who had not spoken to their class about clubs they would like or charities they would like the school to raise money for to do so ASAP and let Mrs Evans know.
- Mrs Evans to increase the number of staff on duty at lunchtimes and councillors to report back at the next meeting to say if they felt it was better or not.
