Inspiring a love of learning

5th September 2025

Dear Parents/Carers

RE: ENTRY TO SECONDARY SCHOOL – SEPTEMBER 2026

As you know, your child will be entering the next stage of their education in September 2026.

Some of you will probably have been researching the secondary schools you are interested in and thinking about visiting them, prior to making a decision about which schools you wish to upload onto your online application form.

The online application process opened up on the 1st September 2025 and the link you need is via www.kent.gov.uk/ola. The online process closes at midnight on the 31st October 2025.

More information is available on the above website.

We have also included with this letter, a list of the local Secondary schools with their contact information and some initial details on the various school's open events. You may find this helpful when organising school open day visits, prior to making your Secondary School selections.

Please let us know in advance when taking your child on a school visit and ensure they are back promptly.

We hope you find this information helpful but please remember we are here to support you through this process, so please do not hesitate to contact us if you feel it necessary.

Yours faithfully

KCollens Z. Fletcher
