### Minutes from the meeting

School Councillor badges were given out and a photo for the website was taken by Mrs West.

The children felt behaviour was an issue at the last meeting so we discussed it again.

- Mostly behaviour in class is fine. Some children said it was a bit loud in class and sometimes children talk over teachers.
- Y3 have an issue with basketball and would like an older child to help them pick fair teams and to ref. Year 5 have fixed teams which has stopped them arguing and could be a strategy to help y3.
- Children said problems don't get sorted at playtime. This was due to a mixture of children not telling grown ups or holding a grudge after an adult has intervened.
- Losing games at playtime / lunch is an issue. The children felt everyone needed some lessons in how to be a good sportsman.

Leaders for jobs had not been discussed with classes. Mrs Evans to talk to the whole school in assembly then school council can follow this up in their class with teacher support. The leadership jobs are....

**Bike & scooter parking attendants**

**Library & book worms**

**Sports Leaders**

**Cloakroom Magician**
