

## Swimming Data

The data shows that the number of pupils meeting the NC expectations has slightly increased this year. Some of the children have made very big jumps in progress from last year.

Our current year 5 pupils have had 12 months worth of swimming lessons this year which should support a greater percentage of children meeting the expectations at the end of y6.

	2021-2022 (29 pupils)	2022-2023 (30 pupils)	2023-2024	2024-2025	2025-2026
Pupils who are water confident and can swim more than 5m	66%	87%	97%	90%	93%
Pupils who can swim 25m and meet the ks2 NC expectations.	45%	53%	67%	53%	60%
SEN pupils who can swim 25m	50% (6 pupils)	14% (7 pupils) 3 pupils can swim 20m 2 pupils have physical needs	50% (8 pupils)	13% (8 pupils)	50% (4 SEN pupils)
PP pupils who can swim 25m	50% (10 pupils)	43% (7 pupils)	80% (5 pupils)	50% (10 pupils)	50% (10 pupils)
