

Class 6

Home Learning - Term 4

In addition to the weekly home learning (**Reading** and **times tables**) please choose one of the following as a home learning challenge for the term. You must do one, you may choose to do more than one if you wish.

Please choose how you would like to present your home learning. Bring in your finished challenge from the week beginning: 30/3/2026

English	We are studying newspaper writing this term. Why not have a go at writing your own newspaper report. It can be about anything you like. Don't forget a headline.	We are writing narrative poems about the sea. Have a go at writing your own poem in any way you wish.
Maths and Science TT Rockstars	In maths we are learning about Fractions/Decimals/Percentages. Create a poster to show how they are all linked.	What can you find out about adaptation? Find out about animals in the Amazon Rainforest that have adapted to suit their environment.
Being Creative	Design a print that could be used as wall paper, using the Amazon Rainforest as inspiration.	Do an observational drawing of nature. It can be anything you notice in the Spring.
Finding Out	We are learning about Charles Darwin this term. He is a naturalist. There are many other famous naturalists such as David Attenborough, Steve Irwin & Silvia Earle. Find out about one of them, present what you have learnt in any way you wish.	Choose a country in South America to create a fact file about.

Please choose how you wish to present your home learning. We look forward to seeing your work! Mrs Hayward
