

Badgers - Class 4

Term 4 – Fairtrade

In addition to the weekly home learning (reading, TT Rockstars) please choose one of the following as a home learning challenge for the term. You may choose to do more than one if you wish.

Please bring in your challenge task by the week beginning Monday 30th March 2026.

Speaking and English	Retell our class writing read: When the Giant Stirred. You may write it as either fiction (as a story) or non-fiction (retelling the real events that happened like in Pompeii).
Maths and Science	Create a poster to show equivalent fractions. OR Create a poster to explain how a simple series circuit works with a circuit diagram.
Being creative	Create a poster advertising Fairtrade and why we should buy more Fairtrade products. OR Design a new front cover for our class writing book: 'When the Giant Stirred'.
Finding out	Using the Fairtrade website research how the organisation is supporting their farmers with climate change https://www.fairtrade.org.uk/media-centre/fairtrade-videos/ OR Research the seasonal foods we grow in the United Kingdom and cook a meal using them (take photos for us to see your creation).

Please choose how you wish to present your home learning. We look forward to seeing your work!

Many Thanks!
