

Foxes - Class 2

Term 5 –How can I make the world a better place?

In addition to your weekly home learning (**reading, spellings, TTRockstars**) please choose one of the following as a homework challenge for the term. You must do one, you may choose to do more than one if you wish.

Please bring in your challenge task on the week beginning **Monday 18th May**.

Speaking and English	<p>What do you think could be done to make our world a better place? How could we improve the lives of humans, animals or plants? I would love to hear your suggestions. You decide how to present them!</p> <p>Or</p> <p>Choose one or more endangered animals to research. Can you create a fact file about them?</p>
Maths and Science	<p>Plant some seeds or bulbs at home. Create a diary to show how it grows and changes. Don't forget to take photos or bring your plant in to show us.</p> <p>Or</p> <p>Write some fraction word problems for your friends to solve. (eg. Jim kicked 8 footballs, $\frac{1}{4}$ went into the goal. How many goals did he score?) Don't forget to work out the answers too!</p>
Being creative	<p>Create a map of your own imaginary town including map symbols (eg school, shop, park). Don't forget to include a compass rose and a key.</p> <p>Or</p> <p>Create a poster or a factfile to show others how they can take care of our environment. You could even make a powerpoint presentation so that you can present your research to the class.</p>
Finding out	<p>Visit the library or research online a significant individual that you think has done something to help make our world a better place.</p> <p>Or</p> <p>What is meant by FAIRTRADE? How can this help our world? Use the internet to do some research and write down what you have found out.</p>

Please choose how you wish to present your homework. I look forward to seeing your work! Mrs Redman :)
