In addition to the weekly homework (**reading, spelling and times tables**) please choose one of the following as a homework challenge for the term. You must do one, you may choose to do more than one if you wish.

Please bring in your finished challenge on or before the week ending 17/7/2026

English	Write a biography about someone. This could be an autobiography, a family member or even a famous person! What interesting things do people want to know about?	 <p>Read an autobiography about someone you are interested in and write a short summary about their life to share with the class.</p>
Maths and Science	Use PolyPad and check out their online mathematics resources. Are there manipulatives that can help you with a certain topic in maths like decimals, percentages, or shapes? <a href="https://polypad.amplify.com/p">https://polypad.amplify.com/p</a>	Follow a recipe using grams and litres. It can be anything you like. Make sure you pay attention to time. How long will it take you to follow the recipe? What time did you start and finish?
Being creative	 <p>In art, we are printing. Look around your home and see if there is anything you can do printing with. Can you inspire yourself with the work of another artist such as Andy Warhol or Jackson Pollock?</p>	Check out pictures of your loved ones from baby to adult and see how they have changed. Are there some changes that they did themselves? Are there changes they could not stop?
Finding out	Head onto the National Portrait Gallery website and choose a painting to research. We are learning all about images this term, is there something you can learn from the painting you choose? Are there hidden symbols or meanings? <a href="https://www.npg.org.uk/">https://www.npg.org.uk/</a>	 <p>We are looking at Amelia Earhart in Commando Joe. Research this fascinating woman and present your findings to your classmates!</p>
