

# Badgers - Class 4

## Term 6 – Were the Vikings Vicious?

In addition to the weekly home learning (Reading, TTRockstars) please choose one of the following as a home learning challenge for the term. You must do one, you may choose to do more than one if you wish.

Please bring in your challenge task on the week beginning Monday 6th July 2026

Speaking and English	Create a story based on our book Blue John OR Write a letter to persuade someone to visit Blue John Cavern in the Peak District
Maths and Science	Create a diagram or model of the digestive system OR Create a map and write co-ordinates to different places on the map
Being creative	Construct a fairground ride out of a material of your choice (eg: lego, KNEX, junk modelling etc) OR Create a weave pattern using paper
Finding out	Research what the Vikings ate and if you can create a meal OR Research Blue John Cavern in the Peak District and create a poster advertising what you can do there.

In addition to the above, please make sure you complete your Maths Family scrapbook every 2 weeks and return it to school once it is completed.

Please choose how you wish to present your home learning. We look forward to seeing your work!

Many Thanks.
