Inspiring a love of learning

Dear Parents and carers,

Thank you if you managed to attend the parent meeting last week, we hope you found it informative and it gave you clear dates and expectations for your child's transition into our school. We also hope you had the chance to sample some of our meals from our catering company - they provide lovely, nutritious hot meals for your child daily and of course, these are free in September until they move into year 3, so please do make use of them. They cater for most allergies and dietary needs.

If you did not manage to attend the evening, please pop into the school office at your nearest convenience to pick up your Welcome pack and information about our July transition sessions.

At Victoria Road, we always try our hardest to do our part in saving the planet, therefore we only print out the essential documents needed and try to email all other information to you to print out should you choose. With this in mind, please find some additional essential information about our school and starting information for your child.

Should you have any further questions, please do not hesitate to contact us as our office will be glad to help.

Thank you and we look forward to seeing you at our first transition days in July.

Mrs Collens & Mrs Fletcher
Co-Head teachers
