HOW TO ACTIVATE YOUR ACCOUNT

2. Press 'Sign Up' then enter the email and mobile number your school has on record.
3. Press 'Send PIN'. You will receive a text message with your unique PIN.
4. You're now ready to log in and start using School Gateway.
5. If you don't have a smartphone or prefer to use a computer, you can set up your account using the web version of School Gateway.

How to log in

1. Once you have a PIN, go to and launch the School Gateway App on your smartphone or tablet
2. Enter the email address you have registered with and the PIN you received. If you didn't get a PIN, it is likely because your school doesn't have the right contact information for you. Get in touch with us and check.
3. If both the email and PIN are entered correctly, hit 'Login' and you're ready to start engaging with school.
