

Fantastic Foxes

Term 1 – Who would you like to be?

In addition to the weekly homework (Reading, Numbots) please choose one of the following as a homework challenge for the term. You must do one, you may choose to do more than one if you wish. Please bring in your challenge task on the week beginning 12th October 2026.

Speaking and English	Imagine you were Florence Nightingale. Can you write a diary entry or a story about a day in her life during the Crimean War? Or Make up a fun rhyme or song to remind us to use full stops and capital letters in our writing.
Maths and Science	Look at a local habitat, this could be your garden, a pond, the park etc. What animals and plants can you find? Choose how to present your findings. Or Make a maths game or poster to help practise your number bonds to 10. If you are feeling really confident, why not practise your number bonds to 20 instead?
Being creative	Portraits and self-portraits have been made for hundreds of years and now it is time for you to do one. Get a mirror and create a picture of yourself. It could be a collage, painting, pastel or pencil drawing but it is important to show how you are feeling in the picture. ENJOY!! Or Make a picture, collage or model of an animal habitat of your choice.
Finding out	Visit your local library or use the internet to create a poster or powerpoint presentation about a significant historical individual who has done something to change our world. (eg. Neil Armstrong, Christopher Columbus, Florence Nightingale). Or This term we are learning all about online safety. Can you create a list of rules to teach people how to stay safe when they are online? This page may be useful - https://www.bbc.co.uk/bitesize/articles/zym3b9g.

Please choose how you wish to present your homework. I look forward to seeing your work! Mrs Redman ☺
